Announcement 1267

Attention Provider Types 48, 57, 58 and 59:

Denied Claims for Procedure Code T1016

Effective with claims processed on or after November 7, 2016, claims submitted by provider types 48, 57, 58 and 59 for procedure code T1016 (Case Management, each 15 minutes) will no longer deny inappropriately with edit code 1151 (Provider type 48 duplicate check) when the recipient had a claim history with codes S5102 (Day care services, adult, per diem) and S5100 (Day care services, adult, per 15 minutes). Claims for procedure code T1016 submitted by provider types 48, 57, 58 and 59 that denied with edit code 1151 will be automatically reprocessed. A future web announcement will notify providers when the claims are reprocessed.
